

v8::internal::UntaggedT

```
classDiagram
    class v8internalUntaggedT["v8::internal::UntaggedT"]
    class v8internalCppHeapPointerT["v8::internal::CppHeapPointerT"]
    v8internalCppHeapPointerT --|> v8internalUntaggedT
```

The diagram consists of two class boxes. The top box, representing `v8::internal::UntaggedT`, is divided into three horizontal sections: the top section contains the class name, and the two bottom sections are empty. The bottom box, representing `v8::internal::CppHeapPointerT`, is divided into three horizontal sections: the top section contains the class name, the middle section contains `+ kMachineType`, and the bottom section is shaded gray. A blue inheritance arrow points from the top of the bottom box to the bottom of the top box.
