

v8::internal::compiler  
::turbohaft::Graph::Index

```
graph LR; A["v8::internal::compiler  
::turbohaft::Graph::Index"] --> B["v8::internal::compiler  
::turbohaft::OperationBuffer  
::Index"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains the text 'v8::internal::compiler' followed by '::turbohaft::Graph::Index' on the next line. The right box has a white background and contains the text 'v8::internal::compiler' followed by '::turbohaft::OperationBuffer' on the next line, and '::Index' on the third line.
