The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::anonymous', '_namespace{regexp-bytecode', and '-peephole::cc}::GetArgumentValue' on three lines. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'v8::internal::UNREACHABLE' on a single line.
