

v8::internal::AllStatic

```
classDiagram
    class AllStatic["v8::internal::AllStatic"]
    class BasicBlockInstrumentor["v8::internal::compiler::BasicBlockInstrumentor"]
    BasicBlockInstrumentor --|> AllStatic
```

The diagram consists of two class boxes. The top box, labeled 'v8::internal::AllStatic', is divided into three horizontal sections: the top section contains the class name, and the two bottom sections are empty. The bottom box, labeled 'v8::internal::compiler::BasicBlockInstrumentor', is also divided into three horizontal sections: the top section contains the class name, the middle section is empty, and the bottom section contains the method '+ Instrument()'. A blue arrow with an open triangular head points from the top of the bottom box to the bottom of the top box, indicating an inheritance relationship.

v8::internal::compiler
::BasicBlockInstrumentor

+ Instrument()
