

```
v8::internal::wasm  
::WasmBytecodeGenerator  
  ::SetSlotType
```

A diagram showing a call from the `SetSlotType` method of the `WasmBytecodeGenerator` class to the `RollbackStack::size` method of the same class. The call is represented by a blue arrow pointing from the left box to the right box.

```
v8::internal::wasm  
::WasmBytecodeGenerator  
  ::RollbackStack::size
```
