

v8::internal::Scanner  
::next\_literal\_one\_byte  
\_string

```
graph LR; A["v8::internal::Scanner  
::next_literal_one_byte  
_string"] --> B["v8::internal::DCHECK"]
```

A diagram showing a call from the `v8::internal::Scanner::next_literal_one_byte_string` method to the `v8::internal::DCHECK` function. The call is represented by a blue arrow pointing from the left box to the right box.

v8::internal::DCHECK
