

v8::internal::wasm  
::WasmModuleSourceMap  
::EstimateCurrentMemoryConsumption

```
graph LR; A["v8::internal::wasm  
::WasmModuleSourceMap  
::EstimateCurrentMemoryConsumption"] --> B["v8::internal::wasm  
::WasmModuleSourceMap  
::WasmModuleSourceMap"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of text: 'v8::internal::wasm', '::WasmModuleSourceMap', and '::EstimateCurrentMemoryConsumption'. The right box is light gray with a black border and contains three lines of text: 'v8::internal::wasm', '::WasmModuleSourceMap', and '::WasmModuleSourceMap'.
