

v8::internal::BUILTIN

v8::Date::Parse

v8::internal::ParseDateTime
String

```
graph LR; A[v8::internal::BUILTIN] --> C[v8::internal::ParseDateTime String]; B[v8::Date::Parse] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'v8::internal::BUILTIN'. The bottom box is also white with a black border and contains the text 'v8::Date::Parse'. To the right of these two boxes is a single, larger box with a gray fill and a black border, containing the text 'v8::internal::ParseDateTime' on the top line and 'String' on the bottom line. Two blue arrows point from the right side of the top-left box and the right side of the bottom-left box to the left side of the gray box.
