

```
v8::internal::wasm  
::anonymous_namespace  
{liftoff-compiler::cc}  
::LiftoffCompiler::SimdOp
```

A diagram showing a pointer relationship between two code snippets. A blue arrow points from the left box to the right box. The left box contains a namespace path, and the right box contains a specific function path within that namespace.

```
v8::internal::wasm  
::liftoff::EmitSimdShiftOp
```
