

v8::internal::wasm  
::AsyncCompileJob::DoSync

```
graph LR; A["v8::internal::wasm  
::AsyncCompileJob::DoSync"] --> B["v8::internal::wasm  
::AsyncCompileJob::StartForegroundTask"]
```

A diagram showing a call from the `DoSync` method to the `StartForegroundTask` method. The `DoSync` box is shaded gray, and the `StartForegroundTask` box is white. A blue arrow points from the right side of the `DoSync` box to the left side of the `StartForegroundTask` box.
