

```
TorqueGeneratedInterceptor  
Info< InterceptorInfo,  
      HeapObject >
```

A diagram illustrating inheritance. A blue arrow points upwards from the box containing 'v8::internal::InterceptorInfo' to the box containing 'TorqueGeneratedInterceptorInfo< InterceptorInfo, HeapObject >'. The top box has a light gray background and a thin gray border, while the bottom box has a dark gray background and a thick black border.

```
v8::internal::InterceptorInfo
```
