

v8::internal::Assembler::pop

```
graph LR; A[v8::internal::Assembler::pop] --> B[v8::internal::Assembler::addi]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::Assembler::pop'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'v8::internal::Assembler::addi'.
