

```
v8::internal::anonymous  
_namespace{js-regexp::  
_cc}::WriteEscapedRegExpSource
```

A diagram showing a function call. A blue arrow points from the `WriteEscapedRegExpSource` function in the left box to the `WriteStringToCharVector` function in the right box. Both functions are part of the `v8::internal::anonymous_namespace{js-regexp::_cc}` namespace.

```
v8::internal::anonymous  
_namespace{js-regexp::  
_cc}::WriteStringToCharVector
```
