

TorqueGeneratedJSArray  
< JSArray, JSObject >

const

kInitialMaxFastElementArray  
kLengthDescriptorIndex  
kMaxCopyElements  
kMinJoinStackSize  
kPreallocatedArrayElements

v8::internal::JSArray

The diagram illustrates the relationship between v8::internal::JSArray and TorqueGeneratedJSArray. A solid blue arrow points from v8::internal::JSArray to TorqueGeneratedJSArray, indicating inheritance. A dashed purple arrow points from v8::internal::JSArray to a const box, indicating that the base class is const. To the right of the const box, a list of static constants is shown: kInitialMaxFastElementArray, kLengthDescriptorIndex, kMaxCopyElements, kMinJoinStackSize, and kPreallocatedArrayElements.
