

v8::internal::Oddball
::set_to_number

```
graph LR; A["v8::internal::Oddball  
::set_to_number"] --> B["mode"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'v8::internal::Oddball' on the top line and '::set_to_number' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'mode'.
