The diagram illustrates a call graph or dependency structure. On the left, two white rectangular boxes represent source functions: 'v8::internal::SemiSpaceNew Space::GarbageCollectionEpilogue' (top) and 'v8::internal::SemiSpaceNew Space::MakeIterable' (bottom). On the right, a gray rectangular box represents the target function: 'v8::internal::SemiSpaceNew Space::MakeAllPagesInFromSpace Iterable'. Two blue arrows point from the source functions to the target function, indicating that both source functions call or depend on the target function.
