

```
v8::internal::wasm  
::anonymous_namespace  
{module-compiler::cc}  
  ::GetCompilationHint
```

A diagram showing a call from a namespace to a declared function index. On the left, a gray box contains the text: `v8::internal::wasm`, `::anonymous_namespace`, `{module-compiler::cc}`, and `::GetCompilationHint`. A blue arrow points from this box to a white box on the right. The white box contains the text: `v8::internal::wasm` and `::declared_function_index`.

```
v8::internal::wasm  
::declared_function_index
```
