The diagram illustrates three source boxes on the left, each with a blue arrow pointing to a single target box on the right. The target box is shaded gray and contains the text 'v8::internal::BitVector::end'. The source boxes are white with black borders and contain the following text: 'v8::internal::GrowableBitVector::end', 'v8::internal::compiler::BytecodeLivenessState::Iterator::Iterator', and 'v8::internal::wasm::TurboshaftGraphBuildingInterface::PopControl'.
