

v8::internal::UseScratch
RegisterScope::CanAcquire

```
graph LR; A["v8::internal::UseScratch<br>RegisterScope::CanAcquire"] --> B["available"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'v8::internal::UseScratch' and 'RegisterScope::CanAcquire' on two lines. A blue arrow points from the right side of this box to the left side of a white box with a black border on the right. This second box contains the word 'available'.
