

```
v8::internal::anonymous  
_namespace{regexp-parser  
::cc}::RegExpParserImpl  
::ParseDisjunction
```

A diagram showing a call from the `ParseDisjunction` method in `RegExpParserImpl` to the `NewAlternative` method in `RegExpParserState`. A blue arrow points from the left box to the right box.

```
v8::internal::anonymous  
_namespace{regexp-parser  
::cc}::RegExpParserState  
::NewAlternative
```
