

```
std::bool_constant  
<(Cmp<_Head, Tail >  
::value &&...)>
```

The diagram illustrates a specialization of a C++ template. A light gray box at the top represents the base template `std::bool_constant`, which is divided into three horizontal sections. The top section contains the template signature `<(Cmp<_Head, Tail >::value &&...)>`. Below it, a blue arrow points upwards from a darker gray box, indicating that the box below is a specialization of the one above.

```
v8::base::tmp::detail  
::all_equal_impl< list  
< _Head, Tail... >, Cmp >
```
