

v8::internal::AllStatic

```
classDiagram
    class AllStatic["v8::internal::AllStatic"]
    class MainCage["v8::internal::MainCage"]
    MainCage --|> AllStatic
```

The diagram consists of two class boxes. The top box, labeled 'v8::internal::AllStatic', is divided into three horizontal sections: the top section contains the class name, and the two bottom sections are empty. The bottom box, labeled 'v8::internal::MainCage', is divided into three horizontal sections: the top section contains the class name, and the two bottom sections contain a list of members. A blue arrow with an open triangular head points from the top of the 'v8::internal::MainCage' box to the bottom of the 'v8::internal::AllStatic' box, indicating inheritance.
