

v8::internal::Allocation  
Site::GetAllocationType

```
graph LR; A["v8::internal::Allocation  
Site::GetAllocationType"] --> B["mode"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'v8::internal::Allocation' on the first line and 'Site::GetAllocationType' on the second line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'mode'.
