

```
v8::internal::anonymous  
_namespace{scavenger::  
cc}::YoungGenerationConservative  
StackVisitor::FilterPage
```

A diagram showing a call from a namespace to a method. On the left, a grey rectangular box contains the text: `v8::internal::anonymous`, `_namespace{scavenger::`, `cc}::YoungGenerationConservative`, and `StackVisitor::FilterPage`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text: `v8::internal::MemoryChunk` and `::IsFromPage`.

```
v8::internal::MemoryChunk  
::IsFromPage
```
