

v8::StreamerThread::Run

```
graph LR; A[v8::StreamerThread::Run] --> B[v8::ScriptCompiler::ScriptStreamingTask::Run];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'v8::StreamerThread::Run'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'v8::ScriptCompiler' on the top line and '::ScriptStreamingTask::Run' on the bottom line.

v8::ScriptCompiler
