

v8::internal::LookupIterator  
::NextHolder

```
graph LR; A["v8::internal::LookupIterator  
::NextHolder"] --> B["v8::internal::LookupIterator  
::check_prototype_chain"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::LookupIterator' on the top line and '::NextHolder' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'v8::internal::LookupIterator' on the top line and '::check\_prototype\_chain' on the bottom line.
