

v8::internal::MemMove

```
graph LR; A[v8::internal::MemMove] --> B[size]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'v8::internal::MemMove'. The right box is white with a black border and contains the text 'size'. A blue arrow points from the right side of the gray box to the left side of the white box.
