

v8::internal::compiler  
::turbohaft::Graph::NewLoop  
Header

```
graph LR; A["v8::internal::compiler  
::turbohaft::Graph::NewLoopHeader"] --> B["v8::internal::compiler  
::turbohaft::Graph::NewBlock"]
```

A diagram showing a call from `NewLoopHeader` to `NewBlock`. A blue arrow points from the left box to the right box.
