

```
v8::base::tmp::detail  
::index_of1_impl< 0,  
std::numeric_limits<  
size_t >::max(), T, List1 >
```

```
v8::base::tmp::index  
_of1< List1, T, Otherwise >
```

A blue arrow points from the `index_of1` function call in the right box to the `index_of1_impl` function definition in the left box, indicating a function call.
