

```
v8::internal::wasm  
::anonymous_namespace  
{liftoff-compiler::cc}  
::LiftoffCompiler::l64Const
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains C++ code. The right box is white and contains a specific function name. The arrow indicates that the code in the left box points to the function in the right box.

```
v8::internal::wasm  
::reg_class_for
```
