

v8::internal::compiler
::unrolling_count_heuristic

```
graph LR; A["v8::internal::compiler  
::unrolling_count_heuristic"] --> B["size"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'v8::internal::compiler' on the first line and '::unrolling_count_heuristic' on the second line. The right box is white with a black border and contains the text 'size'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
