

v8::internal::CppHeap
::UpdateGCCapabilitiesFromFlags
ForTesting

```
graph LR; A["v8::internal::CppHeap  
::UpdateGCCapabilitiesFromFlags  
ForTesting"] --> B["v8::internal::CppHeap  
::UpdateGCCapabilitiesFromFlags"]
```

A diagram showing a mapping from a test function to a real function. On the left, a gray box contains the text 'v8::internal::CppHeap', '::UpdateGCCapabilitiesFromFlags', and 'ForTesting'. A blue arrow points from this box to a white box on the right. The white box contains the text 'v8::internal::CppHeap' and '::UpdateGCCapabilitiesFromFlags'.
