

v8::internal::wasm
::Decoder::consume_u8

```
graph LR; A["v8::internal::wasm  
::Decoder::consume_u8"] --> B["v8::internal::wasm  
::name"]
```

A diagram showing a call from the function `v8::internal::wasm::Decoder::consume_u8` to the function `v8::internal::wasm::name`. The call is represented by a blue arrow pointing from the left box to the right box.

v8::internal::wasm
::name
