

```
v8::internal::compiler  
::turbohaft::detail::  
GrowingSidetable< T, BlockIndex >
```

A diagram showing two C++ class-like structures. The top structure is white with a black border and contains the text: `v8::internal::compiler`, `::turbohaft::detail::`, and `GrowingSidetable< T, BlockIndex >`. The bottom structure is gray with a black border and contains the text: `v8::internal::compiler`, `::turbohaft::GrowingBlockSidetable< T >`. A blue arrow points from the bottom structure to the top structure, indicating inheritance or specialization.

```
v8::internal::compiler  
::turbohaft::GrowingBlockSidetable< T >
```
