

v8::internal::compiler
::turbohaft::Pipeline
::AllocateRegisters

```
graph LR; A["v8::internal::compiler  
::turbohaft::Pipeline  
::AllocateRegisters"] --> B["v8::internal::compiler  
::turbohaft::PipelineData  
::register_allocation_data"]
```

A diagram showing a call from the `AllocateRegisters` method of the `Pipeline` class to the `register_allocation_data` member of the `PipelineData` class. The call is represented by a blue arrow pointing from the left box to the right box.
