

```
v8::internal::compiler  
::turbohaft::anonymous  
_namespace{graph-builder  
::cc}::GraphBuilder::Process
```

A diagram showing a pointer relationship between two code snippets. A blue arrow points from the left box to the right box. The left box contains a namespace definition, and the right box contains a specific function call within that namespace.

```
v8::internal::compiler  
::FastApiCallNode::SlowCallArgumentCount
```
