

```
v8::internal::wasm  
::anonymous_namespace  
{liftoff-compiler::cc}  
::LiftoffCompiler::SimdOp
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains C++ code. The right box is gray with a black border and contains a specific function call from the same namespace. The arrow indicates a call or relationship between the general `SimdOp` type and the specific `emit_i8x16_shr_s` function.

```
v8::internal::wasm  
::LiftoffAssembler::  
emit_i8x16_shr_s
```
