

v8::Isolate::InContext

```
graph LR; A[v8::Isolate::InContext] --> B[v8::internal::Isolate::context]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::Isolate::InContext'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'v8::internal::Isolate::context' on two lines.
