

v8::internal::wasm  
::StructTypeBase::Initialize  
Offsets

```
graph LR; A["v8::internal::wasm  
::StructTypeBase::Initialize  
Offsets"] --> B["v8::internal::wasm  
::StructTypeBase::Align"]
```

A diagram showing a call from the `InitializeOffsets` method to the `Align` method. A blue arrow points from the left box to the right box.
