The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes. The top box contains the text 'v8::internal::JSFunction::abstract\_code' and the bottom box contains 'v8::internal::JSFunction::RequestOptimization'. On the right, there is a single gray rectangular box containing the text 'v8::internal::JSFunction::ActiveTierIgnition'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both 'abstract\_code' and 'RequestOptimization' are associated with or point to 'ActiveTierIgnition'.
