

```
v8::internal::wasm  
::anonymous_namespace  
{liftoff-compiler::cc}  
::LiftoffCompiler::SimdOp
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains C++ code. The right box is gray with a black border and contains a subset of the code from the left box, specifically the last two lines. The arrow indicates a call or relationship between the compiler namespace and the assembler's emit method.

```
v8::internal::wasm  
::LiftoffAssembler::  
emit_f64x2_relaxed_min
```
