

v8::internal::compiler::if

```
graph LR; A[v8::internal::compiler::if] --> B[broker]
```

A diagram showing a dependency or relationship. On the left is a gray rectangular box with a black border containing the text 'v8::internal::compiler::if'. A blue arrow points from the right side of this box to a white rectangular box with a black border on the right, which contains the text 'broker'.
