The diagram illustrates a mapping or inheritance relationship. On the left, two white rectangular boxes represent source functions: 'v8::internal::SharedFunction Info::GetInlineability' (top) and 'v8::internal::SharedFunction Info::IsSubjectToDebugging' (bottom). On the right, a gray rectangular box represents the target function: 'v8::internal::SharedFunction Info::IsUserJavaScript'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating that both source functions are associated with or mapped to the target function.
