

```
v8::internal::anonymous  
_namespace{elements::cc}  
::FastSmiOrObjectElementsAccessor  
::GetRaw
```

A diagram showing a call from a function in an anonymous namespace to a static method. A blue arrow points from the `::GetRaw` line in the left box to the `InternalIndex::as_int` line in the right box.

```
v8::internal::InternalIndex  
::as_int
```
