

TorqueGeneratedJSWeakMap

```
classDiagram
    class TorqueGeneratedJSWeakMap
    class v8_internal_JSWeakMap["v8::internal::JSWeakMap< JSWeakMap, JSWeakCollection >"]
    v8_internal_JSWeakMap --|> TorqueGeneratedJSWeakMap
```

The diagram consists of two rectangular boxes. The top box is divided into three horizontal sections: the top section is light gray and contains the text 'TorqueGeneratedJSWeakMap'; the middle and bottom sections are also light gray but empty. The bottom box is divided into three horizontal sections: the top section is white and contains the text 'v8::internal::JSWeakMap' followed by '< JSWeakMap, JSWeakCollection >' on the next line; the middle and bottom sections are white but empty. A blue arrow with an open triangular head points from the top section of the bottom box to the bottom edge of the top box.

v8::internal::JSWeakMap
< JSWeakMap, JSWeakCollection >
