

unibrow::Predicate::get

```
graph LR; A[unibrow::Predicate::get] --> B["unibrow::Predicate::CacheEntry::value"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'unibrow::Predicate::get'. The right box is gray with a black border and contains the text 'unibrow::Predicate::CacheEntry::value'. A blue arrow points from the right side of the left box to the left side of the right box.

unibrow::Predicate  
::CacheEntry::value
