

```
v8::internal::anonymous  
_namespace{runtime-test  
-wasm::cc}::PrintIndentation
```

```
graph LR; A["v8::internal::anonymous  
_namespace{runtime-test  
-wasm::cc}::PrintIndentation"] --> B["v8::internal::Printf"]
```

A diagram showing a call from an anonymous namespace to v8::internal::Printf. The left box is gray and contains the text 'v8::internal::anonymous _namespace{runtime-test -wasm::cc}::PrintIndentation'. A blue arrow points from the right side of this box to the right box, which is white and contains the text 'v8::internal::Printf'.

```
v8::internal::Printf
```
