

v8::DictionaryTemplate::New

```
graph LR; A[v8::DictionaryTemplate::New] --> B[v8::internal::DictionaryTemplateInfo::Create];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'v8::DictionaryTemplate::New'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'v8::internal::DictionaryTemplateInfo::Create'.
