

```
v8::EnterV8InternalScope  
< InternalEscapableScope,  
false >
```

A diagram illustrating a function call sequence. A blue arrow points upwards from the bottom box to the top box. The bottom box is shaded gray and contains the text 'v8::PrepareForExecutionScope'. The top box is white with a black border and contains the text 'v8::EnterV8InternalScope' followed by '< InternalEscapableScope, false >' on the next two lines.

```
v8::PrepareForExecutionScope
```
