

baseline-assembler
-inl.h

```
graph BT; A[baseline-compiler.cc] --> B[baseline-assembler-inl.h]
```

A diagram showing a dependency between two files. At the bottom is a white box with a black border containing the text 'baseline-compiler.cc'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a gray box with a black border above it. The gray box contains the text 'baseline-assembler' on the top line and '-inl.h' on the bottom line.
